Education

Central Saint Martins, UAL

Class of 2021

2.2 BA (Hons) Product Design with Creative Computing

British International School, Vietnam

International Baccalaureate Diploma and IGCSEs

Experience

_Nology

Software Development

2022

Tech Accelerator Programme over a 12-week period where I learned: HTML, CSS, SASS/SCSS, JavaScript, React, Jest, Cypress, React Testing Library, REST APIs, Test Driven Development, OOP, Java, Spring, SQL and GCP.

Host Staffing

Customer Service/ Team Leader

2017 - 2021

Multi-skilled agency work in all aspects of hospitality ranging from catering, barwork, and reception at VIP events.

Woozle Research

Primary Research Analyst

2019 - 2020

Conducted primary research for an economic research company that produces performance reports of various retail sectors for current and potential investors. Analysing research and learning about consumer trends in retail to provide to senior economists.

Greenhaus.Eco

Brand Ambassador

April - September 2019

Promoted sustainable and eco-friendly brands and products in a co-retail, co-working exhibition space. Helped in preparation for events hosted by various groups promoting sustainability such as Extinction Rebellion.

Centara Villas Samui

Management Trainee

2016

Management trainee in a four star resort in Samui, Thailand, working in both Food and Beverage and Front Office. Part of the job was ensuring everything ran smoothly as most guests were English and most staff did not speak any English which meant it was necessary to learn Thai on the job.

Volunteering

Covid Tech Support (now Digital Allies)

2020 to present

Volunteered skills in UX/UI design, graphic design, some front-end development and web design for a community that provided free project tech support for non-profit organizations.

UK Federation of Chinese Professionals

2020

Volunteered as community outreach representative, reaching out to members of the Asian and South East Asian Community to help report and resolve issues around immigration, racism, and social isolation.
